

2 Delaware SHRM Groups Awarded Excel Platinum: For Elevating Human Resources, Improving Workplaces

Delaware April 30, 2021 — SHRM (the Society for Human Resource Management) recently awarded, both the SHRM Delaware State Council and the DelMarVa SHRM Chapter, their prestigious **EXCEL PLATINUM** Award for numerous accomplishments in 2020.

The EXCEL award is given to state councils and chapters to recognize major accomplishments, strategic activities, and tactical initiatives that elevate the profession of human resources.

“So much of SHRM’s impact on the world of work can be traced back to the dedication and hard work of our chapters and state councils like SHRM Delaware State Council and DelMarVa SHRM Chapter. These leaders took the initiative and drove changes to make workplaces where employers and employees can thrive together,” said Johnny C. Taylor, Jr., SHRM-SCP, president and chief executive officer of SHRM. “The **Platinum EXCEL** Award is not only a celebration of the great work done by them—it’s also a recognition of the grit it took to do it.”

The EXCEL Award can be earned at four levels: bronze, silver, gold and platinum. Each level has a prescribed set of requirements and accomplishments that must be met. SHRM Delaware State Council and DelMarVa SHRM Chapter will receive recognition in SHRM publications and at conferences, a logo to display on its website, and information to share with its members about the significance of this **Excel Platinum** award.
